At the time this ^{enclosed} paper was acted upon Genl Rosser was temporarily
commanding the Division of West Virg. Sec. Though no mention
of the fact is made in the last volume of the Army of Northern
Virginia February 1st, it is known that Genl Rosser by a recent
order of Genl Lee the Cavalry chief Genl Rosser has been
assigned to a division composed of the brigade formerly com-
manded by himself & the brigade now under Genl McIntosh.
This is a new division and no staff has as yet been assigned
to it. ~~There~~ ^{except} five Captains of the Adjutant General's and of con-
signer, no others. All of the Captains available for
assignment have been serving with Infantry exclusively &
cannot fairly be supposed to be competent for duty with a
Cavalry Division especially when the most pressing want of
this Division is an inspector to which duty it is proposed to
assign Capt. Leonard to which duties he has been performing for
some time past. In view of these facts & the past services
^{of Capt. Leonard} it is recommended that he be appointed as requested by
Major General Rosser.

CAVALRY CORPS, A. N. VA.

Sept 2^d

General

I must repeat to you that
Capt. James Conrad of Winchester 7th Va. Co.
has for some time past been serving
with me in the capacity of Division
Provost Marshal. He is appointed Major
in the U. S. Gen. Dragoon Regt. and
assigned to duty with me -

My Command is composed of the
two Regts. formerly commanded by Major
Gen. Fitz Lee. One the Regt. formerly com-
manded by myself. Gen. Lee has taken
Command of all the Cav^y in this Div-
ision and has taken from his old Div.
the entire staff and not feeling author-
ized to take my staff from my old
Regt. (indeed they can't be spared from the
Regt.) I am entirely without a staff - the
aid is all that I have - I have no
Ordinance office - no Commissary
no Quartermaster no Surgeon! And so
I am - no ad^l or hospital Gen. The
titles of the officers I am contented

to perform myself in their duties,
the best we can do. And I am sure
you will be in some way my friend
while I stay —

I will at once make separate
and special applications for officers
to fill each of these positions, and I
hope that they will be made upon most
favorable terms.

Capt. Conrad is an officer
of the first order of talent, and
of the highest character, and his promotion
is a matter of course upon more occasions,
than one upon the war of "Valor and
Skill". I refer to Capt. Conrad (the private
Conrad) that the President of the Navy
and the Secretary of the Navy
have recommended his promotion
and a record of his valor on the
occasion can be found in the War
Office, having been forwarded by
the Commanding Officer, then Commodore
Conrad.

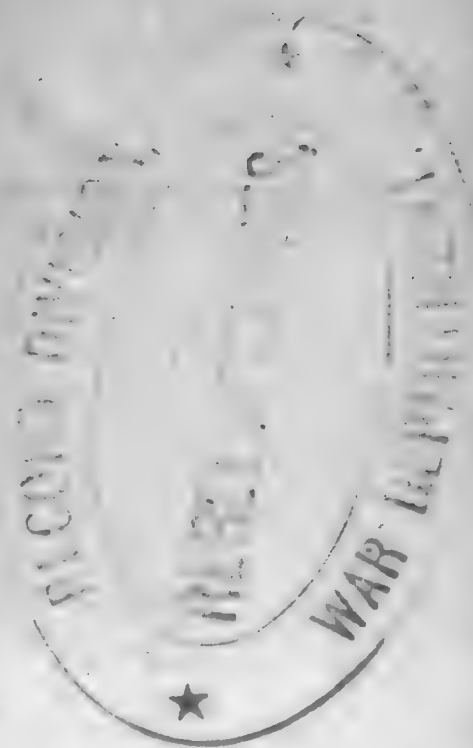

In the act of gallantry, Conrad was
appointed Assistant of the 1st Regt of
the 1st Div. in which capacity he was
with the 1st Division for the year

My dear Sir

Learn I receive your assistance
in an effort that I am making to be
appointed in the Insph Genl Dept of the Army.
I attempt this the more confidently, because
letters now on file in the War Dept. attest my
efficiency and ability for the office - and
because I am conscious of having fully and
faithfully performed my past duties. With as
much ability as I can.

Genl James recommended me last summer
for A.S. & of this Brigade. but in consequence
of an order requiring these appointments to be made
from other than the members of the command
to which he was recommended belonged.

I did not receive the appt.
At the last Genl Casey recommended
me for appt. in the I & G Dept. - this paper
was forwarded to the Dept. favorably endorsed
by the Genl of Officers.

Genl Sherman in a letter to the Secy of War urged
the creation of the office of Inspector of the
Voluntary Dept. and stated that he
such an office was necessary than
and reported my appointment. These

2-10-64

papers, with others from Genl's Fitz Lee. Some
of these and others were all forwarded to
the War Dept. More recently Genl's Report
and the order in person requested the
of War to appoint me. He declined upon
the ground that the Dept. was already full.
But this vacancy in the Valley still exists.
Genl. Roper urged my appointment as Major to
command the dismounted men of his brigade
a precedent having been established in
Genl. Mingo's brigade.

I am induced the extremity of brooking all
affliction that I think may be useful
by ~~some~~ and urgent reasons.
Futuristic reasons are very limited. And I have
been able by economizing my pay to support
myself without drawing upon him. For
several months I have had Charlie to
assist. buying horses, boots &c. until what I
had reserve of my pay &c. is exhausted. I
will however be married in the summer
a full - And my pay now is inadequate
for my support. I want the pay of Major
to enable me to keep out of debt.

I think that the papers given alone - simply
as official representations of given and
and competency to fill higher positions
are entitled to consideration. The
of War has told Genl. Roper and the order

and others who speak to me. that they are
very ample and complimentary - but - depends
all upon them - I hear daily of new and
original appointments being made - if recommendations
from Superior Officers are not entertained in
determining the qualifications of a soldier. I am
at a loss to know how it is accomplished.

Your acquaintance with the field and other
in authority has led me to request your aid
in this matter, which I hope that without
inconvenience you can lend me -

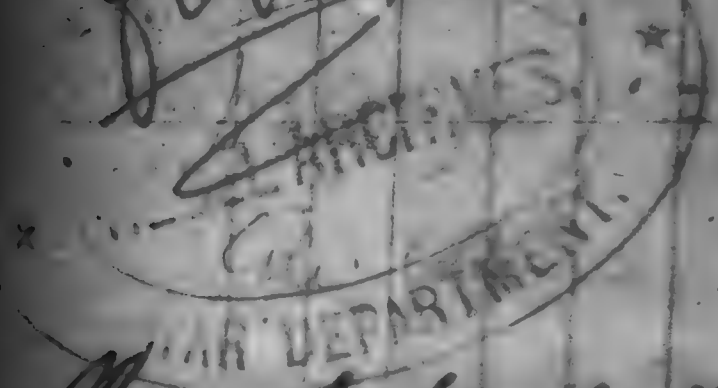

Very truly Yours -

Thomas Howard.

Hon Secy of War
Sir.

I cordially recommend Holmes Curriad, at present a private in the 11th Va Cav^y. as commencing to attach upon the Cavalry. The need of such an officer is better known to the Department.

Mr Curriad is one of the most gallant young men in the Service. He was educated at the Military Institute, and is every inch a Soldier. He was Adj^t of his Regiment for some time, but resigned it, from some personal misunderstanding with his Colonel, but for nothing, which affected him as a gentleman or an officer. He has been recommended by Genl's Imboden, & others for the position of Inspector for the Cavalry of the Valley - but such an officer it seems is not to be appointed.

It is unjust to Mr Curriad to keep him in the ranks. His zeal, energy, gallantry, and intelligence deserve higher position - and until he can have one which will call for these qualities, his friends desire, he should have one which is in some degree adequate to his former rank and to his merit.

In the post of Commisary he would be well fitted - though he would prefer to be in the line, or on duty connected with the field.

Very respectfully

Sir;

Understanding that Holmes Conrad, late Adjutant of this Regiment is about to be appointed as Inspector, I beg leave to state that I have known Mr Conrad for some time, & know him to be qualified by education & experience for such an appointment. In my association with him, while commanding my regiment, during a considerable portion of the late Campaign, I have found him always exhibiting a thorough knowledge of his duties, & familiar with the Orders of the War Department & the regulations of the service.

Mr Conrad has been in the field, serving faithfully since the beginning of the war. I have seen him in many trying engagements, & he always conducted himself most gallantly, stimulating his regiment to brave deeds by his worthy example of fearlessness in the face of danger.

Gen. On the 27th of Nov. Capt Frank P. Clarke informed me that he had ascertained that upon my recommendation in respect General for this Dist. would be appointed, and I stated to me that he desired to obtain the appointment. I unhesitatingly approved the appointment of such an officer, but did not know Capt Clarke's qualifications sufficiently to nominate or recommend him for the position & therefore declined doing so, further than to say that I knew him to be a gentleman of character, & that if his Superior would recommend him, that personally he would be very acceptable to me, as an assistant officer of the District. I do not now intend to mention or qualify what I then said, but a day or two afterwards I learned that another gentleman, then serving in the Army of Gen Lee, desired the same position & still wishes it, about whom I am prepared to say, what I could not for want of knowledge say in regard to Capt Clarke, that he is in all respects, in my judgment, eminently qualified for

the position of Inspector General in
this District. I refer to Mr. Holmes,
Command of Winchester, until lately,
Adjut. of the Regt. of the Cavalry.
I am the partizan of neither of these
gentlemen - my sole object being to
secure the services of the best offi-
cer, irrespective of previous ally, indig-
ment from the means of knowledge
my Command gives the preference
to Mr. Conrad. Very Respy

Dec 14, 63

Dear Sir

I was very glad to hear of
your appointment of inspector in the Argentine
Service. I had always recommended to my Lord
Lieutenant that you should be appointed
and assign me to duty in a Cavalry Brigade.
From my long service with you in camp and in the
field I consider you particularly adapted for the
position. Your long service as Staff making
you familiar with papers and your service in
the field has taught you the value of a command

Believe me

Ad. Lieut. Sub-Dist. North & A
Columbia S. A. July 27 1864

General
I have the honor to acknowledge receipt of your
the (printed) ^{copy} of January 18 1864, requiring me to re-
turn to the Adj't & Insp's Gen'l Office, Richmond, imme-
diately "a correct list of the Staff Officers on duty with
~~command, with the date of their appointment~~
by this Department" I respectfully return the blank
enclosed to your letter, with the information required, as
follows, viz:

I have no Staff Officer appointed by the War Depart-
ment on duty with my command. Lieut J. L. Postick
D.C. declined accompanying me to the Trans Miss Dept
and remained East of the Mississippi River. The rest of
my staff remained with Army at Dalton, Geo. in conform-
ity with the Staff Organization and in obedience to
orders.

2^d Lieut Lewis Conrad is on duty with me as Acting
Act Adj't Gen'l. This officer was assigned to duty in his
position by Maj Genl Taylor, January 26 1864 and has
command in the field. I respectfully recommend that
he be promoted to the position of A. A. Gen'l by appoint-
ment from the War Department.

The assignment to duty by Maj Genl Taylor
attests his standing and ability in the command in which
he has long served. He has had experience in the

Adj't Genl Dept and has won the confidence of his commanding officers as shown by the duties now committed to his charge. I cheerfully add my personal testimony to his zeal & capacity & beg that his commission if granted may date from Aug 26 1864, the date of his assignment to duty.

I have the honor to request also, that W. H. Crane, whose recommendation was forwarded some time since, and is now renewed, be appointed my Aid De Camp in place of Sines J. L. Kestick who has forfeited that position by declining to accompany me in my transfer to the Trans Miss Dept.

of services

W. M. M. 12 Sept 19, 1861

Colonel:

I have received your note resigning the position of Colonel of Ordnance, which I found it necessary to assign you: and which you have filled to my satisfaction, as you did also the office of A. A. Adj. General. I regret very much to part from you personally: — but more on account of the loss of your services to the public.

Your services in superintending the work on our fortifications: — in mounting and putting in place our heavy guns, and in the preparation of fixed ammunition for them, and putting it in place: and also in getting suitable parties to man the guns, and their instruction, — in all of which you have shown superior tact and talent and qualifications, have been invaluable to me and to the public, and such as I could not procure under the circumstances, from any other quarter.

My best wishes attend you

Respectfully and Sincerely

Dear Sir

The object

of this communication is to ~~the~~ respectfully
solicit at your hands the appointment of
Mr Powell Comd to a Lieutenant position
in the service of the South

Mr Powell desires to make arms his pro-
fession for life, and wishes to enter the
Engineering arm of the service. For his
special qualifications to enter this arm
I cheerfully bear testimony to the fact of his
having served with high credit to himself
in the same Corps of Civil Engineers with
myself where he acquired a familiarity
of Instrument etc which would enable him
soon to render valuable service as a
Military Engineer. With a full appreciation
of endearing men in times like these I
confidently & respectfully ask for his application
a favorable consideration.

The Hon: Sec: of War

Sir,

Being informed that P.
Conrad Esq: wishes to obtain a Com-
mission in the C.S. Artillery, I re-
spectfully offer my testimony in his
behalf.

Mr Conrad is well edu-
cated intelligent & zealous in our
military service, in which he has
been since June last. Much of
that time is charge of the fire
works & Artillery for the defence of
Winchester. He has, I think, a de-
cided capacity for that branch
of the military service. I there-
fore strongly recommend his ap-
pointment to the 1st Lieutenant
of Artillery for which he is

poses to apply.

Most respectfully
Yours ever

Dear Sir

I enclose a note from E. W. Packer which
your indisposition has prevented me from delivering
in person yesterday & to-day.

On the 6th of July last I filed an application in the
office of the Secy of War for a 1st grade, & requested if it
to be assigned to Eng^r & Aid: duty which has not yet been
considered although backed by letter from Genl P. S. Johnston
& others - An application afterwards for a position in the army
suggested by Genl Cooper met with no success as my main
recommendations were for an artillery & 1st grade.

Up to 1857 I had some three or four years experience
as a Civil Engineer on the B & O R.R. 24th Nov 1857 & the
Winchester & Strasburg connection; almost entirely homeing
in preliminary surveys & location - from 1857 I have been
a practicing lawyer - Since the war began I have paid
some attention to field fortification & had charge for
some months of the artillery defenses of Winchester.

I tell you frankly the sole opportunities I have had of
acquiring a knowledge of Military Engineering, which I consider
are rather meagre - In the results of my work at Winchester
I refer you to the letter of Genl Packer than in words and filed
with my appⁿ of Jan^y 6th -

If you can aid me in any way in my application for
a Com^d or in Eng^r Employment until my application is considered
you will relieve me from a rather disagreeable position & confer
an favor which will be appreciated
Respectfully
E. W. Packer (closed)

Handwritten text in a cursive script, likely a historical document or manuscript. The text is arranged in several columns, with some lines appearing to be part of a list or inventory. The script is dense and difficult to decipher, but it appears to be a form of shorthand or a specific dialect of a historical language.

Richmond, May 30 1863

Hon. James M. Smith
Secretary of War
Dear Sir

I write you in behalf of Dr.
V. G. Conway late of Stafford County Va., but
for the last year an acting Assistant
Surgeon in the employment of the Confederate
States at one of the hospitals of this City. He
wishes to obtain, & his friends wish to obtain for him,
the place of full Surgeon in the same em-
ployment. He graduated in his profession at
one of the medical schools of Philadelphia
more than 31 years ago & has ever since been
in full practice. He is intelligent, attentive
to business, exemplary in his habits, kind &
gentle in his manners, & has the happy faculty
of pleasing his patients & inspiring them with
confidence & hope. He is one of the best of nurses
of the sick. His long experience has made
him familiar with all the diseases of our climate.
He has the reputation of being a very skillful, as
he has certainly been a very successful, phy-
sician. Though somewhat advanced in

years, he is yet in the vigor of life, & can do as much active service as ever. Having so long served the Confederacy as an active & efficient surgeon, & given evidence of his skill & such (which will be fully shown by testimonials from those who have had the best opportunity & are the most capable of judging), he feels, & his friends feel with him, that it is time he should be told to go up higher, & that he ought to be advanced to the place of full surgeon.

D. C. having been a decided secessionist, was determined not to remain within the enemies' lines, & therefore removed with his family from their home land in the spring of last year, & he & they have ever since been refugees, though his income has not enabled them to live together, he living generally in Richmond where his duties require his presence, & they living at other places where the means of subsistence could be more easily & cheaply procured. He has a large & most estimable family, nearly all of whom are

females & children dependent on him for support, & his dependence is almost entirely upon his salary. Since he left his home his dwelling & home has been burned to ashes by the vandals. I hope he may receive the appointment which he seeks, not only because I think it would be a good appointment so far as the public is concerned, but because it will be a great personal convenience to him.

That my testimony in behalf of D. C. may not have undue weight, it may be proper for me to say, what you probably already know, that he is my brother-in-law & therefore nearly related to me.

Very truly & respectfully yours

C. L. Moncure

I can add nothing to the statements of Judge Moncure except to vouch for my personal knowledge, & the entire fidelity and accuracy. Dr. Moncure is in all respects worthy of the situation he seeks and fully competent

Your letter received to day
and in answering your questions I would
state that Olin Weakley was sent to Cr.
Conway by order of our Surgeon. on account
of there being neither a regimental or
general hospital in vicinity - It was
immediately after we had returned from
a forced march to reach Manassas on time
for the memorable battle fought on (-) July
and we were posted at Craneport, our
Regt then being the only troops at this
point and no hospitals near - Weakley
had been sick in camp for several days
and his symptoms assuming a typhoid

character the Surgeon ordered his brother to
Carry him to some house near a physician
where he could have medical attention
Mr Conway was selected - While nursing
the young man his two brothers were
both taken sick & treated by Conway.

I do not think the young man (Haskell)
could have been moved even to a hospital
sooner than he left for home discharged.

Hoping you may find this satisfactory

I remain Yours Truly

Sir:

I respectfully
request that the leave of absence, of H. C. L. H.
Cook, Chaplain of 2nd Batt. Va. Inf., be extended
thirty days, for the reasons given in the accom-
panying letter from him to me.
He has been attached to this Battalion over
two years, and has been almost continuously
with his command; has been conspicuous in
the performance of his duties, & has accomplished
much good. He was left with the wounded
of the 1st Va. Light Brigade, at Buzzards Ro.,
and until very recently was a prisoner, in
the hands of the enemy.

Hon J A Seddon. Sec of War,
Sir,

I have the
honor to apply to you for leave of absence from my
Command. The circumstances & reasons which
prompt this application are, briefly stated, as follows
When our army fell back from Rums, I remained to
take care of the wounded, and contrary to all my
expectations was shut up in Fort McHenry as a pris-
oner of war. I have just been released from my two
months confinement - and feel very much the need
of recovering my health - As other returned Chaplains
will proceed at once to the Command and will serve
both his & my regiments during my absence -
Again I am very desirous of conducting myself with
the Georgia Conference & the ensuing winter, (not how-
ever with any view of leaving the Army). And to do so,
I must be at home by the 18th of this month - I was
married last March, and remained with my wife only
5 days - I hope, Sir, that you will favor this application.
Very Respectfully,
Chaplain 2nd Sea Battalion

Chaplain J. O. A. Cook of the 2nd La. Battalion and
find him affected with Follicular Pharyngitis from
which disease he has been suffering for several
months; and I give it as my opinion that a change

I do not think that it would be prudent for him
to remain through the winter in this climate. I
would respectfully ^{recommend} that he be transferred from

Dear Sir,

You are aware of the fact that the 2nd Battalion has been doing faithfully for some time past its capacity in this regard for nearly three years. Our labor have been consisting of much of the 2nd Battalion & the Brigade. After the battle of Gettysburg he remained some time in the hands of the enemy. The care of the wounded men has been in many ways of great service not only to the Battalion but to the Brigade and his valuable services have been felt ever since. This time he has had no commissions from the 2nd Battalion and now that commissions are to be issued to the 2nd Battalion I would like for you to be one of the Commissioners of the 2nd Battalion. I am sure you will be one more deserving.

With kind regards, your friend &c

Dear Sir

As you
may have already learned - Upon
being released from Yankee
clutches I obtained a furlough
of 20 days and am now at
home - I find that the time
allowed me is altogether too
short to enjoy my visit home
to recruit my health or attend
to the business which particularly
called me home - My object
therefore in writing to you is to
request you to have my furlough
extended for 30 days longer
On my arrival here I found
my wife absent on a visit to
her mother in the town part of

Alabama. By the time I get to see her my furlough will have almost expired. And you know that I have never spent but one week with her since we were married. I know that you will sympathize with me.

Again the Georgia Annual Conference comes on some time in November. And as I design connecting myself with the conference (not however with any view of quitting the service) it is very important that I should be present at its session.

Again I design bringing on some clothing for the Batts and it cannot be gotten ready by the time my furlough expires. And yet again my health is not very good and I desire time to recruit

my energies as vigorously as I can. My two months imprisonment before entering upon the discharge of my duties as Chaplain of the Batts. I know if my gentle wife were here she would utter a pleading voice. I believe Major that you will do all in your power for me, and will therefore leave the matter in your hands trusting in a very short time to receive the extension desired.

If you should fail to get the extension you must allow me a few days indulgence and not report me absent without leave.

I am truly your friend

it is hardly equitable to make an

I am informed that Capt. Cooke
served with Cassin's, presently in the

General;

H^Q 1st Dept. H. Va
Dublin Jan: 18th 1863

On the 19th ultimo I addressed
a letter to you recommending that Capt.
Lies B. Cooke of your Department be
promoted to a majority in that Department.
As I have not received your answer, I
desire to renew the recommendation, and
ask that the promotion be made.
While Capt. Cooke was with me
at Riverside, Genl. Bragg Chief of Staff,
acting as I was informed by Genl. Bragg
direction, asked me to order Capt. Cooke
to report to him for duty. I could not then
show the Captain, and therefore did not
give him the order. I have learned
that had I ordered Capt. Cooke to Genl.
Bragg, there is every reason to believe that
he, Cooke, would have been promoted.
I therefore, that I am to some extent re-
sponsible for his failure so far to
attain the merited promotion, and
I am particularly disinterested
any injury I may have done him
in that matter.

The Capt. has served well
and faithfully since the commencement
of the war, part of the time with Genl.
Beauregard and part with Genl. Bragg.
But it has so happened that he has
never been the Senior Adj. Genl.
with any Genl. or Maj. Genl. And where

TRANSFER ASKED

County Leader Says Road
Cash Should Go to
School.

By a Staff Correspondent of The Star.

CLARENDON, Va., October 12.—
faced with equally insistent demands
for action looking toward completion
of the Lee Boulevard and for a school
construction program to relieve con-
gestion in the Washington-Lee High
school, the Arlington County Board
because of lack of sufficient funds
for both projects may be confronted
with the dilemma of choosing between
the two.

The matter was brought to an issue
yesterday by Arthur Orr, president of the
Arlington County Civic Federation,
who requested the county board to
transfer to the school fund the sum
of \$20,000, which it has set aside as
the county's share for completion of
the boulevard link to the Nation's
capital.

In a letter calling attention to "over-
crowding" in the schools, Mr. Orr
criticizes the "unwisdom of appro-
priating county funds for any State
project" and declares that

estate at Christmas time.

Pushed Area Increase.

He also instituted the movement to
increase the special taxing area of
the Chevy Chase Department to in-
clude North Chevy Chase, thereby add-
ing to the revenue of the company,
and in addition he conceived the idea
of having the county commissioners
install traffic lights on Connecticut
avenue in front of the fire house as a
protection for motorists.

The commissioners recently ap-
proved the proposal and the lights,
which will be used to warn motorists
along the heavily traveled thorough-
fare when the company is preparing
to respond to an alarm will be erected
shortly.

The Great Atlantic & Pacific Tea

corporation counsel's office in Police
Court yesterday when it was denied
a bill of particulars in 24 short-
weight cases brought against the com-
pany several weeks ago. The cases
will be tried before a jury Novem-

In its motion for the bill of par-
ticulars, the company asked especially
that it be furnished with the names
of employees who are alleged to have
made short-weight sales in 17 of the
company's stores. It also asked that
it be furnished with the time of day
each alleged violation occurred.

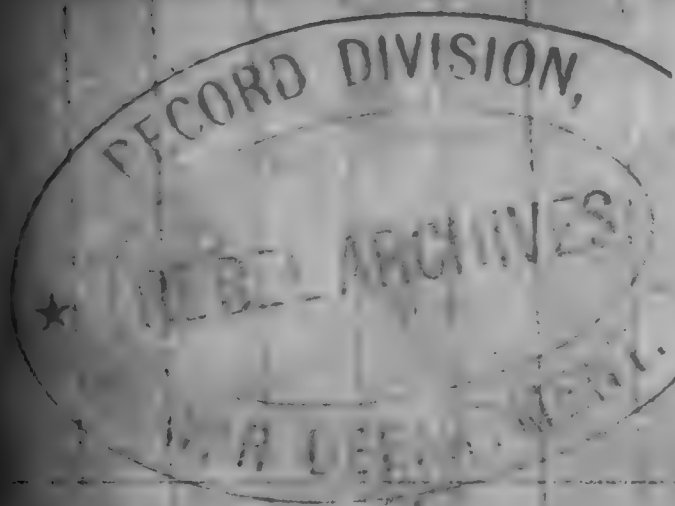

The motion was denied by

To his Excellency

Jefferson Davis

President of the

Sir: We avail our selves of the present moment
& take the method of earnestly recommending
Col Phil Cook of the 4th Regiment Ex Vol
Dool's Brigade, to the favorable consideration of
your Excellency & respectfully ask for him
promotion to the rank of Brigadier General.

Col Cook is a gentleman of fine legal
attainments & a soldier of no ordinary qualifi-
cations. He entered the service as a Sergeant
in April 1861 & has been on duty ever since.
By his merit - zeal - energy & qualifications, he
has raised himself from the humble position of
Sergeant to the honorable distinction of Colonel.
This Rank he now holds. He has been a
most exemplary officer & soldier, & by his
gallantry - promptness & judgment received the
highest commendations from his late Brigade.

commander, the lamented Dolis. Col Cook was
wounded at the Battle of Chancellorsville &
was for a short time from his command. Al-
though suffering from his wound, he repaired at
an early day to the head of his Regt. in
which position he has been up to the death
of Col Dolis. Being the Senior Officer he is
now in command of the Brigade.

Believing that such promotion would be
a just & proper tribute to his gallantry &
merits as a soldier & a just reward for his
valuable services we submit his claims to the
consideration of your Excellency

Julian Hartridge.

Sir

I have the honor to recommend for
appointment for Adjutant for this reg-
iment Thomas B. Cook 2nd. Brevet. Lieut.
for "F" this Command.

I recommend that he be Commissioned
as Adjutant with the rank of first
Lieut. P. A. C. S. to take rank from
the 12th inst., and assigned to duty as
such with this regiment.

Former Adjutant (R. L. Daniel) in June
1862 had leave of absence from Genl.
Marshall, and was wounded in the
battle before Richmond in that month,
and has not since reported to this Com-
mand.

Shortly after the Command returned

from Kentucky (in Decem. 1862) Adjt.
A. L. Daniel informed me that he was
on the staff of Brig. Genl. Pegram
(et. A. G.). I have not been officially
notified of the fact.

During his absence a Lieut of this
Command has been acting Adjutant.
Lt. Cook was assigned to duty as Adjutant
on the 12th inst. by my order.

Very Respectfully

Capt. W. Cook & Hugh G. Windham, Esq. H
Dear Parents,

Notwithstanding that I wrote you
by the Army Mail, Jan 10th, - having the oppor-
tunity to send you this by a gentleman going
to Miss. I write again. This leaves us all living
and well. Major & Mrs. are at home as a far-
long D. As for myself, I have been exempted by
the County Court and appointed by said body
one of 3 County Doctors as an examining board
for the Haystack County Militia. So, I am know-
ingly out & shall avail myself of it in as much
as the balance of the males are in of the family
I fear is threatened on all sides, but as yet there
has been no actual invasion. If the State
will stand up, we can resist 50,000. The Mex-
icans & Indians give us as great annoyances
as the Yawkey. Believe nothing you see as to
Maximilian & the French Emperor. Help from
them is too far in the future. Hence any
aid or affiliation from Mexico is out of the
question. In fact Mexico will do more towards
whipping Texas, if such should be our great
Calamity, than Lincoln. If full for do. Texas
any good for it the West Miss. Dept. will go
first - hence cheer your deck and prepare
your sails for it. If you can, the East Miss. Dept.
subsidize your soldiers, and keep Co. John, &
& Hardin back for 12 months respectively by
one hundred thousand men, efficient
men, I think you are safe, but other wise
go to negotiating for peace on the best terms.
We should send extra numbers to Congress, the great
and most conservative men of the land. The
above Miss. Dept. will not withstand as you

General.

As I left you in December last with the understanding that as soon as my little boy's condition would admit of his moving I would come on to Richmond & enter on the duty to which you assigned me viz Chief Dir. Mr's of the Commissary Bureau. I think it is due to you as well as to myself to inform you of the circumstances under which I now remain here.

A few days after my return to this place Major Claiborne presented himself with his order to relieve me & I informed him that I would turn over my Public Affairs to him on the next day; a few minutes after that the Commandant of this Post came to my office & informed me that Genl. Taylor had telegraphed him that if I was in Georgia he would inform me that my presence was required at Hd. Quarters. I immediately during my absence from this place to this dispatch. At that I should at once go to see Genl. Taylor; but that immediately on my return (say two or three days) I should be ready to make the transfer. On my arrival at Hd. Quarters I found Genl. Taylor much displeased at what he supposed to be an unnecessary delay at Georgia. Having explained this to his satisfaction he asked me if I had been relieved from duty with him but my reply was that I had not been requested to go to when Genl. Johnston was in command at the same time giving him my reasons for having made the request. He then asked me if I desired to be relieved from duty with him; my reply

was as near as I can remember in the following words: "I found
the circumstances under which I made the report of Genl. Taylor
to be relieved from duty have materially changed, & that my
interview with him since he had assumed command of the Dept
had always been of the most pleasant character & that I was
perfectly willing to serve with him. At the same time I informed
him that I had promised you to come on as soon as I could
& enter in the new duty to which you had assigned me. His
reply was rather in the way of a compliment. But as I desire you
to know all the circumstances exactly as they occurred I will repeat
his own language as well as I can remember it; it was in the
following words: "Major you sent me better than any fragment
I have ever had, & if it is agreeable to you I desire you to remain
& will suspend the order relieving you until I can come to
Richmond. I have it recorded, whereupon he directed that an
order be issued suspending the order relieving me a copy of which
I have the honor to enclose to you."

This letter should have been sent to you before this. But the
uncertainty of the mails caused me to delay it until I could
send it by ^{an} official hands.

Genl. Taylor was so much occupied that I fear I am
trespassing on your time, but believing that I have always had
your good opinion & desiring to retain it I have related the
circumstances connected with my being relieved here as they
occurred, & repeated the conversation with Genl. Taylor as near as
it was possible for me to do.

In conclusion I must assure you that as an officer of
your Dept I am ever ready to obey your orders & to carry out
your wishes.

With much respect I remain

General

I have had the honor to receive your letter of the 14th ultimo, covering an order from your Head Quarters in reference to the re-assignment of Major A B Cooke - If you prefer Major Cooke to Major Claiborne, as the result of your own observation, I will cheerfully apply for the necessary order to keep the former there - He is an intelligent & capable officer, and I should not have thought of removing him, but for his repeated applications to this Bureau to have his assignment changed - When it was arranged to make the change, I discovered that the new duties proposed were distasteful to him - But I thought his habit of discontent should be taught a lesson,

and therefore did not change the assignment. I am perfectly willing, however, to have it changed if you desire it, and other appropriate duties can be found for Major Claiborne. Please let me have your wishes by telegraph.

The present merging of the Army of Tennessee with your former Military Department, I fear, will cause confusion in the service of the Quartermaster Dept. there, especially in the Pay branch. Much trouble has arisen in estimating for and distributing funds by this overlapping of one Army or Department on another. This can only be avoided by continuing to treat these bodies of troops temporarily detached as parts of the Armies from which they are sent, until more permanent arrangements are made. Should the two Armies be merged, the two Paymasters will not be necessary; and either Major Smith

at Camp Lee.
Wm. Geo. W. Randolph

Rec'd Apr. 3d, 1862.

Richmond, Apr. 3, 1862.

Gen. Geo. W. Randolph,
Sec. of War.

Dear Sir,

I am sorry to trouble
you with so many letters; but your
attention during office hours is so
heavily taxed, that I am forced to do so.

I handed you this morning Capt.
Shields' letter, making the application
which you suggested, for my appoint-
ment and assignment to duty, as his
assistant at Camp Lee. His letter
makes out a very strong case, I
think, and I know that with his
present want of assistants, he is
compelled to labor incessantly. He
is kind enough to say in his letter
that he regards me as fully qualified,
and asks for my assignment to

duty, under him, with the commission
of Lieutenant.

I hope, under these circumstances
that it will be the pleasure of The
Dept. to commission me.

Upon one other point, I should
like to add a word. My application
was for a 2^d Lieutenant - I was
then ignorant of the fact that the
Confederate Govt appointed company
officers in the Provisional Army
for special duty. If this be truly
the case, I beg leave to change
my application to one for a First
Lieutenant.

Whether I am justified in
asking this you must judge.
Capt. Shields says he has "plenty
of work for me and wants me."

Very deeply & Truly
Yrs. John Estlin Cooke

P.S. I shall regard an early response
to this application as a great favor.
My time in Richmond is limited -
if appointed, I could report at
once to Col. Shields for duty.

General,

The new English mangle loading
carbine lately issued to the Division gives
great satisfaction. It is an excellent weapon
at 300 yards, and effective at 400 & 500. The
men and officers both speak of them in high
terms. The only fault found is in the sight
which is too coarse, and would be much more
effective by being made finer.

The Robinson Carbine manufactured in
Cincinnati continues to work badly, and at
times burst its stock, from defective junction
of the parts. I am directed by Gen. Stuart
to return them to the Ordnance Dept. at
Cincinnati.

(Centerville, Ky 10th / 1862.

General:

Capt J. R. Cooke late
of the 8th Infy U.S.A. has for the past
six months commanded a Battery
of Light Artillery under Genl Holmes.
Being desirous of availing himself of an
opportunity for promotion I take the
liberty of bearing my testimony in his
behalf. A Missourian by birth he lost no
time in the outset in taking his stand
with the Confederacy, and up to this
moment no man has shown more
unflinching zeal and devotion to her
interest than Capt Cooke. In the old
army he was, on the far distant frontier
equally distinguished for gallantry
and efficiency. He would be an or-
nament to either branch of service.

I sincerely trust therefore that
you may find it compatible with pub-
lic interest to promote him.

Most Resp^y.

Sir

Mr O. D. Cooke the writer of the within letter is a gentle man of high character and superior attainments in every way suited to position

The Service will obtain an acquiescence in giving him the position he desires and his modesty is a quality that speaks highly in his favor. for I assure you I was surprised to find he placed his merits on such slight estimation,

for men with less qualification & ability are, such in commission as field officers I earnestly hope and desire his appointment.

Hon. J. N. Waul

Dear Sir

Will you permit me to request you, as one of the Representatives of the State of Texas, to make application in my behalf to the Secretary of War for a Commission, as Lieutenant of Artillery; and to exert yourself, so far as you may deem proper, to secure my appointment.

I desire to serve the Confederate States in their regular army, and while I designate a particular arm of the service, as the one for which my mathematical acquirements and knowledge of topographical drawing, peculiarly fit me; I am, at the same time, willing to serve in any other corps.

I have received a thorough Collegiate Education, being a graduate of

University College; and am, as you are aware,
a Lawyer by Profession, a member of the
San Antonio Bar practicing in Partnership
with Major W. J. Clarke.

Trusting that my application will
meet with favor from you, and through
you from the Secretary.

I am

Very Respectfully

Adj. Gen. 24th. Reg't. North Carolina Troops,
Camp Bluff La June 28th. 1863.

To Genl. G. Cooper, Adj. Genl. U. S. Army,
General:

Being informed that it will devolve on the
President to appoint Field Officers for the 12th. Reg't. I. C. Troops,
Ramseur's Brigade, I respectfully commend to your favorable
consideration 1st. Lieut. Oliver D. Corke, Adj't. of my Reg't., as a
suitable person to fill the office of Lieut. Colonel or Major.

In the battles before Richmond, and particularly at Malvern
Hill; at Sharpsburg, and at Fredericksburg, he displayed distin-
-ed gallantry and performed meritorious services, for an account
of which I refer you to the dispatches, in which he has highly hon-
orable mention.

I have reason to believe that his appointment would
prove very acceptable to Brig. Genl. Ramseur, and the Reg't.

I respectfully refer you to the accompanying recommendation
of Governor Vance of North Carolina.

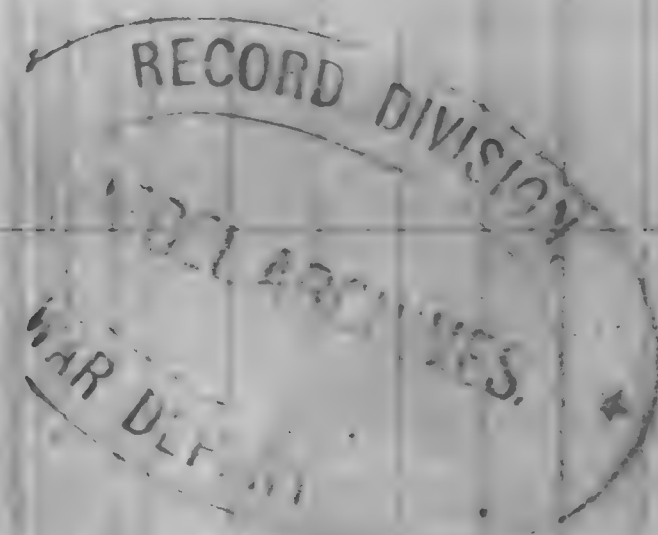

Very respectfully

Your obedient servant,

Wm. Clark

I have the honor
to report that in accordance to verbal instructions
I have in company with Surgeon
Randall and Surg. Medical Hospital No 1
for the purpose of ascertaining the facts in
regard to the non interment of the body
of Private R. M. Marshall of Co. I 1st
Battalion

Given that R. M. Marshall
died on Friday and information of that
fact did not reach the command to
which he belonged until late Sunday evening
It is my belief that the neglect to give
proper information for the purpose of his
burial is chargeable to the Chief Surgeon of
the Hospital Dr. Perry. I would
respectfully recommend that he be required
to make a written statement of the
facts in the case

W. H. Chandler, Ky. Dec. 3. 61.

Sir,

Touching the report of Surg. Coomb to respectfully ask to make the follow^g statement:—

The patient died late Friday night, was placed in a coffin Saturday morn^g, and was sent to his burial of his death Sunday, when it was expected that the court for the removal of the body would have arrived, no one came. Monday morn^g — but a bill one two days after death, the burial took place. Two or even three days is not an unusual time at this season of the year for the dead in private families to remain unburied.

Because of the repeated & formal requests of the Commanders to be advised of the death of in hospital of members of their commands, it was the custom at hospital no one to coming such intelligence to them at times sometimes done by note, sometimes by word. In this matter, in the present instance it was reasonably expected that the funeral services would be performed by the companions in arms of private M — In this the hospital corps was disappointed & the delay incurred.

At the time Surg. Coomb was seriously indisposed, his wife passing through a critical sickness. The hospital Steward was also sick. Surgeon Coomb is both an indefatigable, skillful, kind and accomplished physician, whose uniform gentleness of manner and cheerfulness of attention to the sick under his charge have endeared him to the hearts of hundreds of suffering soldiers.

~~The statement that he had refused his removal or resignation as a loss to the service.~~ The Asst Surgs are insufficient; are employed by contract & have taken the necessary steps to get rid of them.

Very respectfully,
W. H. Chandler, M.D., N.D.

Bowling Green 13 Dec 4th 1861

M.D.M.D.

Dear Sir

The papers containing the complaint and charges against myself for neglecting to bury private Marshall, I have just received. I was confined to my room yesterday by indisposition, and is the reason I did not receive it until today. I have this to say, Sir, in explanation.

Private Marshall, died Friday night, his coffin was procured Saturday morning early & he put in it. Mr. Hot on Duggins, says positively, that he told members of his company Saturday evening, that he was dead and that a detail must be sent in to bury him. I before told you, that we have now been able, (except the stewart says one instance) to get the Quarter Master

To bury the dead in this Hospital, and
on more than one occasion have
had to send our ward Master
and nurse to perform this duty.
This would have been done in
this instance, but my steward was
is sick who makes out for me
the morning reports, and I was nearly
not aware that he was not buried
in due time, until I received
the papers containing the complaint.

But above all this
I have yet to learn that there
is any thing "shamefully brutal" in keeping
men confined from Friday night
until Monday morning. I might as well
let my attention at the Hospital,
has not been so constant for the
last few days as usual, owing
to present indisposition and sickness
on my part.

The man ought to have been buried
before, and I acknowledge it, I acknowledge
it. I have yet to learn that there is
any thing "shamefully brutal" in keeping
men confined from Friday night
until Monday morning, in such a case.

as we have at that time.
Your own observation will cite
you to many instances in families
where it is done, where disorganization
is not far advanced or where there
is nothing peculiarly infectious about
the disease, and I own my
incapacity to appreciate the criminality
involved. In conclusion allow me
to say that if you can find a living
patient in my Hospital, who will accuse
me of "brutality" then I will cheerfully
resign my commission.

of using the house for a Hospital.
Mr Hampton is a Southern Right man and
we think should not be forced to

the removal of the soldiers from said

Sir

Enclose bill for rent of Warehouse
for Company Store House & Office from
January 1st to March 11th 1862.

As an explanation to this bill I will state
that on the 24th of June 1861 I was appointed
by Genl J. E. Johnson Acting Commissary for the
Post of Winchester and on application to Maj
McLane La Roche for a house etc. located me
to the house mentioned in this bill belonging to
myself and charge the rent up in my return
to the Commissary Genl. I did so for the 3rd & 4th Quarters
1861. But was afterwards advised by the Commissary
Genl that I must for future get my rent
of the "Martin, Report"

I have charged rent only for the
time the house was actually in use of
the Store House & Office. This place being
vacuated by our troops on the 11th day
of March 1862

Very Respectfully

Yours Obedt Servt

Sir

Your of the 19th inst is to hand this morning
I have written to the several parties to send me invoices
of supplies gotten of them during the month of August
and will send them on as soon as received

One entry in the receipts for that month is
however an error. I refer to the Eleven Head of Cattle
of Maj. J. H. Searley. These weight 13,250 pounds. It
occurred in this way. The Majr had purchased these
Cattle of William Bay but as he could not conveniently
receive them he requested me to take them when delivered
by Mr Mee. I did so and accepted of him for them
giving the receipt to Mr Mee and supposed the thing
was settled so far as I was concerned. Subsequently however
I settled with Mr Mee for the Cattle at Majr Searley's
request taking up the receipt I had given him and was
told by Mr Edward May a clerk that they were not
entered upon his report. Consequently they ought to have
been on my abstract of purchases instead of the monthly
Return. I will be corrected in my return for the
month

I send herewith Capt C. S. McKinnis's invoice
of July, part of which was received in July and part
in Aug. a portion appearing on the July Return and a
portion on the August return

Col. W. B. Sherman C. G. S.

W. Sir

Yours of 20th Feb

in regard to my returns for Sept. & 3rd Quarter 1861 came
while preparing to leave Winchester. It was impos-
sible to reply to it before leaving there and since then I have
been so constantly occupied when not on the march that
I have had no opportunity since. I hope now to be able
to make the explanation satisfactory.

You say "Please explain how the number of
candle rations on your abstract of issues to Troops, Hospital
& Citizens in Dr. Masters Report came to exceed the number of other
rations issued"

The only reason I can assign why the candle ration
exceeds the other rations issued to troops is that they were less
frequently omitted than other articles. By reference to Nos.
36, 97 & 186 Abstract of Issues to Troops (Privates) you will
see that Candles were issued and many other things particularly
meat & flour were not issued these were drawn by forces then
at Martinsburg on Provision Returns approved by Genl Carson
then in Command at Winchester. How or of whom they got
their meat and flour I do not know. That an extra quantity
of Candles were issued to the Hospital is true but paragraph 107,

Surbs. Regulations says "Extra issues of Soap, Candles & Vinegar are permitted to the Hospital when the surgeon does not avail himself of the consumption of the Hospital ^{Station} fund or when there is no Hospital fund"; from which I think the inference is very clear that they are entitled ~~to~~ to an "extra issue" by having it charged to the Hospital fund when there is one as was the case in this instance.

In fact the inference I draw from the regulations is that an extra issue of any article may be drawn when necessary ~~but~~ ~~and the Hospital fund will draw it.~~ If I am wrong please correct me.

As to the one issue to surgeons in L. M. Reg. three pounds was issued to Capt. A. Clark A. G. M. (2) & Capt. Geo. Waite A. G. M. (1) for the use of their respective offices (see Ar. 457) on the single order. - Lastly I have been taking receipts for Candles from other Departments from the officer getting them and entering them on the monthly return. Is the issue of Candles or other articles for public use in other departments allowable?

Is it true that the issue to the Guard House in September was more than they were entitled to for that one month. They drew by small quantities as needed till the 18th of the month when they drew 21 pounds and then drew none during the month of October except what the captain entitled them to (4 pounds) which they got at the end of the month of October.

Now say again "Please explain how many days Mr. Thatcher was engaged in looking for lost cattle and how the cattle count to be astray."

Mr. Thatcher was engaged some two or three days in looking for the cattle and the expenses charged

were not for his time but for him of boy to help drive the cattle and for expenses of hunting the cattle and bringing them back, in which he used his own horse and made no charge for it. The cattle escaped by the fence of the lot in which they were placed being thrown down when Genl Johnsons Army left Winchester in July and for some time could neither find nor hear of them but finally found them beyond the Shenandoah River from Winchester and

for the getting them all back
R. William Waller was sent to Richmond to get supplies sent to me. A month previous to sending him I had made a requisition on the Commissary General (the only person I then knew of to whom to apply) and got neither the supplies or a reply to my requisition.

About a month later Wm Waller was sent on the same purpose upon the advice of Genl Cameron in Command at Winchester (another requisition for supplies having been made when R. W. W. was sent there which he had the promise would be sent) He learned where there for the first time that my requisitions should have been made on Maj Claiborne

Wm Isaac Kicks was sent to Richmond to bring on in Confederate bonds I had drawn for this took up three days of the time and \$5.75 of the expenses charged. The balance of the bill was for smoking purchases of Bacon Salt &c in Berkeley & Jefferson Counties & traveling expenses

1. *Platycodon grandiflorus*

The plant is an erect perennial - even in the winter it remains green. The leaves are opposite, ovate, with serrated margins. The flowers are large, blue, and bell-shaped. The fruit is a large, inflated, bladder-like structure, which is green when young and turns brown when ripe. It is used as a vegetable in the East.

The plant is native to the mountains of China, and is now cultivated in many parts of the East. It is a very hardy plant, and can withstand a great deal of frost. The leaves are very tender, and are often used in soups. The flowers are also very beautiful, and are often used in floral arrangements.

The plant is a member of the *Platycodonaceae* family, and is closely related to the *Adonis* and *Delphinium* genera. It is a very important plant in the East, and is used in many different ways. It is a very hardy plant, and can withstand a great deal of frost.

The paper has a slightly textured appearance with some minor discoloration and dark smudges or stains, particularly along the left edge and bottom. The binding edge on the left is visible, showing the stitching and the inner cover material. There is no text or other markings on the page.
